NEEDS

Description: Monday Night Youth Evangelism Program: two classes that are geared for the unchurched for evangelism and mission. We host a VBS like children's mission then open the doors up to a special evangel Youth Group geared for the unchurched community and urban students. Many of our students have special needs, many more are students dealing with poverty and difficult living situations with urban environment. **Our need is for extra helping hands to aid our main teachers with our Monday Night Program.** Volunteers must be willing to be active and participate in the activities whether it be crafts, aiding an autistic child, or playing games with the teens. We have on average 10-20 children and 10-15 youth on a given Monday. Right now, our Children Youth Ministry is growing faster than we have teachers to place them in. The ages vary and they are very active. Yet they are greatly impacting both the kid's lives as well as the adults who bring them. Our youth program is largely based in unchurched youth who are starting for the first time to engage with Christ.

Availability (any time, certain months/days/hours): Monday Nights (closed on holidays) from 6:00-7:30 PM for Kindergarten through 6th grade, from 7:00-8:30 PM for youth
