Pastors-active and retired-and their families are often like the shoemakers' children who have no shoes!

Many pastors feel we need our own 'pastors' to share our good times or rough times...to talk with, celebrate with, cry with, even just to be with....

Several retired pastors from our presbytery are ready to serve as encouragers and listeners: The P.E.A.L. Team, Pastors Encouraging and Listening.

We encourage you to contact anyone of us anytime.
