

Stewardship Assessment

Pittsburgh Presbytery Stewardship Ministry Team

Using financial data provided by your church, the Stewardship Ministry Team can help you assess your church's financial situation and offer options for funding ministry and mission.

In order to provide a Stewardship Assessment for your church, please provide us with the following information:

- The current year's budget
- Church membership, average worship attendance, average Sunday School attendance and annual congregational giving for the past 10 years (available at <http://www.pcusa.org/tenyeartrends>)
- Most recent 3 years final income/expense summaries
- Balance sheet listing all church assets
- Congregational giving for the past three years plotted on the attached chart
- Specific ministry goals for this calendar year
- Dates and times when members of the Stewardship Ministry Team may meet with your pastor and session. Please list two options:

_____ or _____

Information may be sent electronically to John Wray jehmwrap@aol.com .
